GENERAL FEATURES

We offer a range of carts for **warehousing** purposes.

Each trolley have lots of storage options for various printers and PCs, offer barcode scanner holder solutions and a lot more...

MATERIAL AND PAINTING

We use aluminium as the main material for our carts. It's lightweight, strong and durable. After cutting and milling, the pieces get a powder coating for a better durability and ease of cleaning.

We chose a pleasant color scale for the products:

RAL-5005

SIGNAL
BLUE

RAL-7016

ANTHRACITE
GREY

RAL-7047
