SNA1 - Core Arm

- Free movement with 5 joints
- Joint strength adjustment
- Different mounting options
- Several accessory mounting options
- Cable/tube leading clip-in options

MOUNTING OPTIONS

The circuit arm can be mounted on several medical parts: DIN rail fitting, Medical Cart Company's columns or Worktops.

ACCESSORY OPTIONS

We offer a series of components which can be mounted on the Arm's end.
These serve as Module/Tablet/Display holders or the mounting of other parts such as breathing tubes.
